October 2017 Issue

Thank You!

A big thank you to Brooke Krey for all her hard work planning the EAI Beginning of the Year Kick-Off-and her continued work on setting up Bonding with the Board! Although it was hot, it was a blast. Thank you for setting that up for us!

New Salaries/Paychecks

The September 30 paycheck should have included a Salary statement, outlining your new salary, as well as your Continuing Contract Form that outlines your sick days, etc. Please check to make sure these two documents are accurate! If you have any questions, please see one of your building reps for help.

Salary statements present salary and stipends as gross pay, please remember taxes are removed from that number provided.

Also, all summer committee work was paid out on September 30 paycheck. Please check to make sure that is accurate.

Flu Shots

This year, the district is not having flu shots given at the wellness screening. Because of the time crunch to get to school before it starts, the district has offered a voucher so staff can get their flu shots wherever they feel comfortable, and whenever it fits into their schedule.

The flu shot is no cost to you! You simply need to take the voucher wherever you would normally get your flu shot, present it, and you can get your flu shot at your own convenience. If you have any questions, please get in touch with either Barb or myself!

Here is a link to the [voucher](#) that was sent out from Barb.
